| 2 | Phases 2 (Etruria Road) and 3 (Victoria Road) Review of 2025 Reference Case | <p>Cabinet members from the three authorities all supported the objectives of the proposed tree pollarding on Etruria Road, in reducing overall NO2 exposure and helping resolve anomalies between modelled and actual NO2 concentrations. SCC to progress the procurement of works required to pollard trees by end Feb 2023, subject to the funding change request being approved by JAQU.</p> <p>Cabinet members also supported the proposed letter to ministers, seeking more proportionate intervention on Etruria Road and Victoria Road in the light of the revised 2025 Reference Case assessment. Pete to revise the draft letter, which is to be sent by the JAG Chair and Vice-Chair on behalf of all the authorities. Leader of NuLBC wishes to see final draft letter, and MPs to be approached regarding supporting the submission.</p> | <p>██████████</p> <p>Pete</p> | <p>End Feb 2023</p> <p>End Dec 2022</p> | |
