

We'll work with you to make a change

Providing free, confidential support and treatment to people experiencing challenges with drugs or alcohol across Stoke-on-Trent.

www.scdas.org.uk

Who we are

Everyone should feel comfortable getting the support they need with drug or alcohol challenges.

We provide a free, confidential and friendly service to anyone living across Stoke-on-Trent – this includes adults, young people, and families.

We'll aim to see you where you feel most comfortable and can provide advice and information, one-to-one support, assessment, and depending on your age, brief or clinical interventions.

Get in touch

Whether you have questions, need advice, or just want to talk, you're not on your own.

For help and support with your drug or alcohol use, or if you would like to talk to us about how to help someone you know, contact us today.

If you're 18 or older, call 01782 283 113.

If you're under 18 years of age, or you're worried about someone who is, call 01782 221 090.

Regardless of your age or the age of the person you're worried about:

- Email: referrals@sotcdas.org.uk
- Pop in and see us:
76 – 82 Hope Street
Hanley, ST1 5BY

More information can be found on our website: www.scdas.org.uk

Stoke Recovery Service

The Stoke Recovery Service provides free, tailored aftercare support for people who are in abstinent recovery from substances and alcohol.

This includes:

- One-to-one recovery focused appointments
- Recovery groups
- Social recovery support
- Creative recovery
- Therapy
- Support with employability
- Evening and online groups
- Long-term aftercare support
- Peer support

Susan says:

"I attend Stoke Recovery Service two days a week and I get all the help I need. Going to Stoke Recovery Service has changed how I feel about my life - okay, I'm an elderly lady now, but I still have things to give. I've still got a life to live."

Young People and Families Service

We have a dedicated team of young people workers who offer support and treatments for young people aged up to 18, including:

- One-to-one recovery sessions, focusing on substance use, mental and physical wellbeing, and harm reduction support
- Solution focused sessions and structured goal setting
- Support with education/career paths
- Developing and working towards goals
- Group work sessions
- Brief interventions
