

Petroleum Regulations 2014

The Petroleum Enforcing Authority (PEA) has previously granted a storage certificate based on the information shown in the items below. Providing there have been no material changes this storage certificate remains valid. You previously indicated you wished to pay the fee for 1 year. Below is the information we currently hold, please indicate how many years fee you wish to pay at this time and check the information making any necessary changes on this form.

Please return this form in hardcopy to **Petroleum Officer, Public Protection Section, Town Hall, Albion Street Hanley, Stoke-on-Trent ST1 1QL**. Alternatively, you can complete and scan this form and send it to **public.protection@stoke.gov.uk**

Please note: To maintain the integrity of the data, we request returned electronic versions of this form to be submitted as a PDF document

1. **File Reference Number:**
2. **Site Address:**
3. **Current storage arrangements:**

The storage arrangements below have been registered with the PEA .

A	General site layout	Drawing reference No.
B	Fuel and vapour containment system, including storage tanks (see Table1), pipework and dispensers	Drawing reference No.
C	Spillage containment/drainage systems	Drawing reference No.

Table 1 A record of tanks registered to store petrol at the site (the tanks may be used to store other vehicle fuels)

TANK/ COMPARTMENT NO	MAXIMUM WORKING CAPACITY (MWC) (LITRES)*

* The fee payable to the PEA is based on the Maximum Working Capacities (MWC) of the tanks in which petrol is stored, not the MWC of the tanks in which petrol may be stored.

Petroleum is currently stored in tanks..... with a combined maximum working capacity of The annual fee is calculated on this combined maximum working capacity at £60 for a combined total below 50,000 litres or £125 for a combined total of more than 50,000 litres and is chargeable yearly.

For instance for a total of 90,000 litres the fee would be

Number of years	1	2	3	4	5
Fee Payable	£125	£250	£375	£500	£625

For instance for a total of 40,000 litres the fee would be

Number of years	1	2	3	4	5
Fee Payable	£60	£120	£180	£240	£300

Please note: Paying for more than one year now will reduce the administrative burden on your business and enable you to purchase at the current year's fee rate. However the Regulations are subject to review and the inclusion of fees could be changed. *There is no facility to repay any of the fees once paid so please ensure you check thoroughly.*

4. Fees:
